

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A "LITTLE" LIMERICK.

There was a little man
And he had a little dough,
And he had a little nerve
So he wasn't very slow.
Then he bought a little stock,
Then he bought a little more,
Then he got a little gay,
And repeated as before.

Like us all, he little thought
That the market was near top,
So he bought a little more,
Then put in a little "stop."
Just a "healthy" little break—
Profits melt away like snow.
There was a little man
Who "had" a little dough.
